

План описания картинки (картины) на английском языке

1. Для начала приступите к вводной части описания. Часто требуется не только описание картинки (или картины), но и краткая биография художника. Первое предложение может начинаться со слов:

The author of this picture is ... — Автор этой картины (пишите фамилию на английском языке).

Если информация о художнике не нужна, то можно начать со следующих слов:

This picture is on topic of ... (entertainment / sport / hobbies / environment / shopping etc.) — Эта картина по теме ... (развлечение / спорт / хобби / окружающая среда / покупки и т.д.)

2. Второй частью описания картинки является более точное описание увиденного с первого раза:

Например,

In this picture the action is taking place in ... (the house / the living room / the gym / the park etc.). — На картинке происходит действие в ... (доме / в спальне / в спортзале / на улице / в магазине / в парке и т.д.)

3. Далее перейдите к описанию первого и второго плана картинки.

Например,

On the first plan of the picture we can see ... (a woman / a man / a dog / a boat / a tree etc.) — На первом плане картинки мы видим ... (женщину / мужчину / собаку / лодку / траву и т.д.)

Скажите несколько слов о настроении, которое данные детали вызывают у вас.

4. Остановитесь подробнее на взаимоотношениях людей, если они изображены на картинке. Опишите их действия, эмоции.

Например,

The boy is happy, because he ... — Мальчик счастлив, потому что он ...

5. Сделайте вывод.

Напишите, что вы поняли после просмотра картинки, какие она вызвала мысли, о чем заставила задуматься, о чем напомнила.

Например,

The picture made me think about ... — Картинка заставила меня задуматься о ...

This picture is on the subject of studying.

It was taken outside.

In this picture the action is taking place somewhere in the park.

In the background of this picture I can see some bushes and trees.

In the foreground I can see a girl who is sitting on the green grass under a tall tree and reading a book.

Looking at the girl I get the impression that she is preparing for her English class as next to her on the grass there are some books and one of them is an English dictionary.

I suppose the girl is 14 years old, she is of medium height and slim with long, straight, dark hair and big eyes. This girl has a small nose, a pretty mouth with full lips.

I think she is attractive. The girl is casually-dressed. She is wearing a colorful shirt.

It seems to me that the girl is interested in what she is doing. She is taking pleasure in learning the language because she is smiling. Also, she is feeling relaxed and happy.

I believe it's summer or early autumn. The sun is shining, the grass is green and it's very warm as the girl is wearing light clothes.

The atmosphere in the picture is relaxing, peaceful and friendly. Generally speaking, this picture appeals to me since it is full of positive emotions and I am keen on learning foreign languages.
