Dear Ben, Thanks for your letter – it was great to hear from you.

I live in a big city – the capital of Mother Russia – Moscow. The thing I enjoy here the most is being close to civilization, even though I live far away from the city center. Actually, upon the time I will finish studying, I wouldn't like to move anywhere from the capital. Believe me, one day you'll get used to it and will enjoy living in a big city as much as I do.

I look forward to hearing from you.

All the best,

Kirill
